The Westin Edina Galleria Honored for Third Year in a Row *AAA's Prestigious Four Diamond Award*

Edina, Minn. (February 16, 2011) — For the third year in a row, The Westin Edina Galleria has been honored with the AAA Four Diamond Award. AAA annually evaluates more than 60,000 lodging establishments and restaurants, and rates them on a scale of One to Five Diamonds. The Westin Edina Galleria is one of only 12 Four Diamond award-winners located in Minnesota.

Four Diamond properties feature up-scale, luxuriously designed public spaces, stylish and refined guest rooms and state-of-the-art furnishings. The Westin Edina Galleria's soothing atmosphere, exceptional service and commitment to overall guest well-being have earned the hotel consecutive Four-Diamond rating awards every year since opening in 2008.

"We are very pleased to have received such a prestigious award. We believe this award is a direct reflection of our outstanding associates and their dedication to first-rate service," said The Westin Edina Galleria's General Manager Marc Faubert. "We are all extremely proud that one of the nation's finest travel organizations honored us with the AAA Four Diamond Award for a third year in a row."
